IMMORTAL RAIN

VOLUME 4

BY
KAORI OZAKI

HAMBURG / LONDON / LOS ANGELES / TOKYO

Hunted by the insidious Calvaria Corporation, Rain and his young companion, Machika, take shelter in the frozen confines of the Angel's Graveyard. There he relates his tragic past, and his relationship to Yusa Collabell, the man who betrayed Rain hundreds of years ago. Yusa, a athletic immortal, longed for the peace of death. And by passing the curse of immortality on to Rain and then murdering his beloved Freya, Yusa ensured that Rain would be waiting for him upon his rebirth, and willing to kill him once and for all. Now, deep within the bowels of the Angel's Graveyard... that day has come.

Hello again
The book came out a little
earlier than the others
I'm on the brink of death
and madness

One thing I can
say here is that
I'm not a
fan of the book

It's time again for me to try to write a
new one perhaps but I'm so tired at times
that today I turned my head
and I'm really hurt

The major in "House", for whom I've been
drawing the last some years, started with
"Hug". I've been reading "House" since I
was probably in middle school. All my favorite
characters were in there, I loved their
mannerisms. I will never see anything like it
It's a beautiful publication. sorry. It will be gone
or get my pull out as soon as possible

There were the
good of days

IN THE NEXT VOLUME OF
IMMORTAL RAIN

A year has passed, and Machika's desperate search for Rain is looking increasingly like a fool's errand. Stowing away on a plane,

Machika's goal is to get to the city of Rainet, home of the Calvaria Corporation, and hopefully uncover the secret of Rain's whereabouts. But there are detours and distractions along the way, not to mention a helping hand from one of the most unlikely allies imaginable.

The adventure continues in *Immortal Rain* volume 5!

IMMORTAL RAIN™

It's the agony and the ecstasy as the day of Yuca's rebirth has finally arrived! When this harbinger of Armageddon busts forth from the womb of Trida, it's a tearful reunion for Rain and Yuca. But the moment is bittersweet, as the one-time friends have made an ancient and macabre pact. One that can only end in death.
